Dear Tina,

Mike Pickup has forwarded us a copy of the email that you sent to him yesterday, our replies are in red below.

We would note that with the exception of items 1 and 2 all of the requests you have made are identical to requests made by the Group in the email that Helene King sent to Mr Pickup on 23 November 2020. You will note that replies to those items are consistent with the response to that email.

Regards

Laurence Hulkes

Planning & Development Consultant

Dear Mr Pickup,

Re Watercress Field RR/2021/409/P

The core group of Burwash: Save our Fields is considering your planning application for Watercress Fields in Burwash. In order for a

fully informed decision to be made, the group asks to meet you on Zoom and for the following material and permissions.

1 A copy of the updated Planning, Design and Access statement. The details have been submitted to RDC and no doubt will shortly be available on the Council's website.

2 A copy of the architectural drawings for the housing, so we can assess the differences in height for this and the last application. Ditto

3 Permission for an ecologist to visit the site. No, as previously advised confirm the reports that have been submitted with the application have been produced by qualified professionals who are experts in their individual fields.

4 Permission for a photographer to enter the site and take photographs. previously advised permission will not be given for a photographer to enter the site.

5 Permission for three members of the group to visit the site. As previously advised permission will not be given for members of the group to enter the site.

6 A copy of the Site Inspection report which is referred to at para 5.9 of the Town and Country Planning Solutions' Planning Design and Statement dated June 2018. As previously advised the report is not relevant to the Reserved Matters that are the subject of the current application.

May I thank you in advance of the supply of the above material and the permissions.

Tina Freedman
